Work Experience

- 10/2024 - **Institute of Philosophy, Chinese Academy of Sciences**
Postdoctoral Fellow
- 01/2024 -09/2025 **Lise Meitner Research Group, Max Planck Institute for the History of Science**
Guest Researcher

Education

- 2018-2024 **Institute for Science in Society, Faculty of Science, Radboud University**
Ph.D. Science and Technology Studies
- 2023 **Lise Meitner Research Group, Max Planck Institute for the History of Science**
Predoctoral Fellow
- 2020-2021 **Netherlands Graduate Research School of Science, Technology and Modern Culture**
completed the whole graduate program and obtained the certificate
- 2015-2018 **School of Humanities, University of Chinese Academy of Sciences**
Master of Science
- 2011-2015 **School of Philosophy and Sociology, Hebei University, China**
Bachelor of Philosophy

Publications

- Wang, J., Halfman, W., & Zwart, H. (2021). The Chinese scientific publication system: Specific features, specific challenges. *Learned Publishing*, 34(2), 105-115. <https://doi.org/10.1002/leap.1326>
- Wang, J., Halfman, W., & Zhang, Y. (2023). Sorting out journals: the proliferation of journal lists in China. *Journal of the Association for Information Science and Technology*, 74(10), 1207-1228. <https://doi.org/10.1002/asi.24816>

•• Blue Book on China's Scientific Journal Development (2021), China Association for Science and Technology, Published by Science Press and EDP Sciences, **Translator for Chapter 3: Scholarly Publishing in the Open Science Environment**

•• Book editor: Jing Wang & Bin Li (2022). 西来东往无尽期：中西科学交流使者，大象出版社

Conferences

- Nov 2024 •• **China Open Access Week 2024**, National Science Library, Chinese Academy of Sciences, Beijing
Invited Talk *The journal attention cycle in the scientific publishing economy*
- July 2024 •• **Convenor** of panel **P244: STS as a research approach in China**, International EASST-4S Conference on Science, Technology & Society studies, themed *Making and Doing Transformations*, Vrije Universiteit Amsterdam, The Netherlands
- Nov 2023 •• **Lise Meitner Research Group: China in the Global System of Science** LMRG Colloquium Series, Max Planck Institute for the History of Science, Berlin, Germany
Invited Talk *Number Governance: The Institutionalization of Journal Metrics in the Chinese Science Assessment*
- Sep 2023 •• **27th International Conference on Science, Technology and Innovation Indicators**, Centre for Science and Technology Studies & European Network of Indicator Developers, Leiden, The Netherlands
Selected Talk in panel Journal Publishing: *The journal attention economy in China*
- April 2023 •• The First Advanced Forum on Internationalisation and Development of Academic Journals, Society of China University Journals, Chongqing China
Invited Talk *The quality dimensions of journals and Open Science Europe*
- Dec 2022 •• Forum on the Good Publication Practice 2022 (FGPP2022, online), The University of Macau & Macau Pharmacology Association
Invited Talk *Sorting out journals: quality criteria for journal ranking*
- Sep 2022 •• The First International Journal Festival: Chinese Journals in the Global Perspective & International Journals in the Chinese Perspective (Online)
Invited Talk *Reflections on different approaches to open access in Europe*
- Sep 2022 •• **Ninth International Congress on Peer Review and Scientific Publication: Enhancing the quality and credibility of science**, American Medical Association, Chicago
Selected Talk *Sorting out journals: quality criteria, ranking principles, and tensions of Chinese scientific journal lists*
- July 2022 •• **European Association for the Study of Science and Technology 2022 Conference, The politics of technoscientific futures**, Madrid, Spain
Selected Talk in Panel Responsible Research Assessment and STS, *Sorting out*

journals: the proliferation of journal lists in China

Aug 2021

•• WTMC 2021 Summer School, *Epistemic Corruption*, Ravenstein, the Netherlands

Selected Talk *How is journal quality governed in China?*

Peer Reviewer

2021-2024

Humanities and Social Sciences Communications, Journal of Scholarly Publishing, Quantitative Science Studies, Learned Publishing, Accountability in Research: Ethics, Integrity and Policy, PLOS One

Other Research Activities

April 2024

•• Lecture at School of Humanities, University of Chinese Academy of Sciences, "Science and Humanities" Lecture Series 2024, Beijing
The Fourth Issue: *Chinese Scientific Publication System in a Global Perspective*

January 2022

•• The Institute for Science in Society Progress/Retreat, Radboud University, Soeterbeeck 2022

- Organized the PhD Panel: How is ISIS in society?
- Chair of Panel: Valid representations
- Presented and as the referee in the Panel: Organizing Science & Education

Membership

4S (Society for Social Study of Science), EASST (European Association for the Study of Science and Technology), The Chinese Association of Science of Science and S&T Policy Research

Scholarships and Awards

July 2023 - Dec 2023

•• Predoctoral fellowship at Max Planck Institute for the History of Science

2022- 2023

•• 'COVID-19 Financial support' for PhD scholarship holder, Education Affairs, Radboud University

2022

•• Radboud Internationalisation Grant for 'Outgoing PhD candidates'

2018-2022

•• Ph.D. Scholarship of the China Scholarship Council
